- If you didn't get a chance to watch the Thankful RT video this month, check out our website, rtindustries.org and scroll down to the video on the main page. You will not be disappointed.
- We joined forces with Partners in Hope this year to help 60 senior citizens in Miami County receive a stocking full of goodies for Christmas. RT's Adult Day Services decorated 40 of the stockings to be delivered on December 2. We opened our doors to the community as well to donate needed items. What a wonderful turnout we had on donations!
- Our Employment Services Department took monetary donations around the organization to take to the Launch students while they were volunteering at the Salvation Army bell.
- Many employees volunteered at the Thanksgiving feast.
- RT's HR Director and her daughter put up a Christmas Tree in our front lobby.

Thank you,
Ashley Brocius

Chandra Thompson, Community Engagement & Operations Director shared her thoughts on the Thanksgiving Party at RT. "Last week was our Thanksgiving Day Festivities. We look forward to this every year, as a time to come together as a staff and persons-served to celebrate and have fun. We love to see all of the smiling faces, excitement, and hear all the laughter. Thanksgiving gives us a time to reflect on what we are thankful for at RT and to show persons-served that they are at the top of the list! We value each person and make it a priority to provide opportunities to engage in fun peer activities. Life is all about connection and friendships."

But, wait.... there's more....

The Piqua Public Library has held an annual Christmas Tree Decorating Contest for the past 5 years, with RT taking home the win the last two years in a row. Here is RT's very own Brittany & Stefanie, with our persons served serving up another masterpiece. Help us secure another win for the 3rd year in a row by visiting: piqualibrary.org. There will be a link to view and cast your vote for your favorite tree. You can also submit votes on paper at the library. Voting opens December 1st through the 17th. Show your support by giving us your vote.

Each year, RT partners with the LAUNCH program through UVCC. The LAUNCH program participates in many volunteering opportunities, and every year the group rings the bell for the Salvation Army at Kroger in Sidney. This year, we surprised the students with a visit and a donation to the Kettle!

Welcome TO THE TEAM!!!
